HAPPY St. Patrick's DAY

APRIL MAY JUNE 2022 NEWSLETTER

Well 2022 has got up and running but not quite how I envisioned it. All classes are going, sometimes a little light but on the whole we have settled back into our routine. Now....just to be upset again for the next month. I am booked in for surgery on my knees on the 28th of April. Six Weeks on crutches with no weight on the left then another six weeks just gradually back to walking then if all goes well I am guessing it will be a wee while longer til I can dance again. So for the time being you will have to put up with me teaching/calling from my chair. Details of dates off and return to classes are in the newsletter.

During the year we have been holding small fundraising events to kick off our Gippsland Lifeline for this year. Happy to say we have just hit \$1100 in the kitty....not a bad start:) Thank you to all who have helped.

Our May 1st Social is one of the dates cancelled due to knees so our next Sunday social is our June 12th. This is our Combined Classes social and will run from 11 a.m. to 4.30 p.m. The Theme is: "Dress in your Favourite Dressup Costume". This social will be the start of our Sunday Socials going back to "All Levels" and get everyone back together again.

The VLDA Ball is on again this year after our two year break. The 25th Annual Gala Ball will be on the 25th June. We do have a group already booked to go down to this ball. I will attach the flyer with all the details in the newsletter. I can always get tickets closer to the ball date if you wish to go. Tis a wonderful night and really nice to have our group down there together.

Our new Beginners groups are doing so well and flying through the dances. As soon as we return to classes in May our Monday and Friday Beginners Class will be extended. They will start at 9 a.m. and dance through to 10.30 a.m. \$10

Well lots to talk about, and lots of dates to read about. Make sure you have a look through our newsletter so you know what is going on in our Club.

Have a wonderful Easter Everyone....Stay Safe and I will see you back in May
rockin' Crutches :)

Bits and Pieces

Don't forget... If you do have any material packed away in the cupboard doing nothing....Chris would very much appreciate it. Chris turns odd material into wonderful fundraising items.

TO ALL MY STUDENTS

ESPECIALLY THOSE WHO TRAVEL A DISTANCE

If you feel the weather is against you or feel it is too unsafe to travel.. Then please.... don't come to class

If the weather is really bad more than likely I will cancel the class. But please..those who have quite a distance to travel...stay home if the weather is bad. As much as we love our dancing your safety is more important...just send me a quick text so I know you are not stranded on the side of the road but please...don't risk your safety
