

L.V. COUNTRY LINE DANCERS

JANUARY FEBRUARY 2021

GOODBYE 2019 HELLO 2021

Well, what a bizarre year 2020 was and one we probably would never have imagined that we would see. To say it slowed down life is an understatement, but probably gave us enough time to reflect on what is important. Things we took for granted may not be so in the future. Covid 19 certainly did change our lives overnight and put us into a strange time and I'm not sure our kind of normality will return for quite some time.

I was beginning to think that our line dancing was never going to return and then when we could, it was quite a dilemma working out social distancing, halls and size of classes. In the end, I decided the only way I could get the classes up and running was to make the most of my biggest hall, the Newborough Public Hall. I legally could not fit my class in the Morwell Guide Hall and the rule at the Seniors Clubrooms at the moment are that I can only run the first class and not the following class and no night time classes. I would eventually like to get the classes back to their original halls but honestly, I can't see that this will be in the near future. The shire has told me that the Newborough Hall can cater for up to 90 with social distancing so I know that my classes can safely dance in this hall with room to spare.

Heyfield....with the help of Vi, has moved to the Memorial Hall in Heyfield which I'm really excited about. Some might remember the good ole days when Heyfield were the biggest socials in the Valley. The hall has been renovated and looks beautiful so we won't know ourselves. Once things calm down a little we might even look at holding some social there.

Our socials are a bit of a mystery at the moment. I have listed the dates in this newsletter and not starting til March, but I am not sure at the moment how I will be running them. I might think about splitting them and running a Gentle Social and an Easy/Intermediate Social, but my first priority is to get the classes up and running.

I think 2021 will still see some highs and lows but we will do the best we can to keep

Line Dancing going and staying safe at the same time :)

CLASS COVID 19 PLAN

From the front door through the class

- ♦ If you have been on holidays interstate or in hotspots, please refrain from classes for 2 weeks
 - ♦ If you are feeling unwell, please do not attend class
- ♦ We have been issued our own QRCode from the Government for Contact Tracing. This code can be scanned with your iphone on entry. If you don't have an iphone you can download the app via go.vic.gov.au/check-in. The government only require your first name and phone number and this data is deleted after 28 days. I will also have my sign in books, so if I am contacted I will contact my students immediately.
 - ♦ Please make sure you keep your distance when signing in
- ♦ Remember to bring your mask/pen and correct money. We want to eliminate multiple handling of items
 - ♦ Air Hugs ONLY....SORRY 😞
- ♦ Those classes who stop for tea breaks, there will be no coffee/tea/biscuits. Please bring your own water/thermos and nibblies
 - ♦ There will be sanitiser / wipes placed around our dance area.....please use
- ♦ Please maintain the correct distance from each other while dancing

**By keeping yourself safe, you are keeping those around you safe.
The responsibility lies with each and everyone of us to do the right thing.**
