JULY AUG SEPT 2022 NEWSLETTER LATEST UPDATE

Well I was going to say we have survived the first half of the year without toooooo many interruptions then the old Kidney Stones decided they would show their little faces. Nasty....is all I can say. Then blow me down if I don't get Covid.....Lordy Lordy Lordy

The knees, and not being able to have the planned operation made for a quicker recovery..although I think marathons will be out of the question for the future. My next surgery for the other knee, now due to Covid has been postponed to September 1st which is a Thursday and I will take the following week off as well.....But we will be all the go for the Sunday Combined Social September 11th. Anyone who would like to lead off a dance is more than welcome cause I can guarantee you I won't be up dancing:)

Speaking of Combined Sunday Socials....we had our first one June 12th....the first for 2 1/2 years and it was so nice to see the classes and friends back together again. The costumes and atmosphere was just so amazing and by the looks of the photos a good time was had by all. All our Newborough Sunday socials will now revert back to being a combined social. Start at 11.00 a.m. - Beginners for the first hour til midday although all are welcome, Split floors will commence at midday through to 1.45 and then from 2.15 - 4.30 will be easy intermediate - intermediate dances. This social will be strictly by Bookings as I would like to cap the numbers so that there is plenty of room on the dance floor.

With more bit's and bob's happening towards our Gippsland Lifeline we now have a very healthy tally of \$2100 which is wonderful and I would like to thank everyone for contributing to our various little schemes :) You all rock...but you all know that xx

perception is everything

and...Speaking of our Gippsland Lifeline Fundraising... don't forget we have our Big Depression/Suicide social coming up September 25th. This social has become very dear to us all and I think we all realise how fragile life can be. Sue and I have to sit down to work out all the details but definitely put this one in your diary.

VLDA 25TH BALL

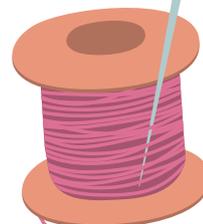

Well, wasn't sure if I would make it, but so glad I did. The 25th Annual Gala Ball, and even though the numbers were down, was such a great night. Workshops kicked off the day with Maddison Glover and Simon Ward which we had a few reps from our classes attend. The Pre Entertainment was put on by Simon and Maddison and narrated by Stephen Patterson. A journey through the years of the VLDA Balls and a showcase of dances during that time. Last but not least was a terrific routine performed by Maddison. We only had a small group this year but you will all have to put the date in the diary for next year. Was a wonderful night. Photos stolen from our local students :)

Thank You

some new dances:)

Bits and Pieces

Don't forget... If you do have any material packed away in the cupboard doing nothing...Chris would very much appreciate it. Chris turns odd material into wonderful fundraising items.

TO ALL MY STUDENTS

ESPECIALLY THOSE WHO TRAVEL A DISTANCE

If you feel the weather is against you or feel it is too unsafe to travel.. Then please.... don't come to class

If the weather is really bad more than likely I will cancel the class. But please..those who have quite a distance to travel...stay home if the weather is bad. As much as we love our dancing your safety is more important...just send me a quick text so I know you are not stranded on the side of the road but please...don't risk your safety
