FEBRUARY MARCH 2022 NEWSLETTER

Well we have made it through our first 6 weeks and most of the crew are back now which is wonderful. Classes are up and running well and for someone who said they weren't teaching any new dances in January we have addedway too many but it is so nice to be doing some new dances. So far we have only had 2 students asymptomatic in class and both did the right thing and notified me immediately so I could then in turn notified all the students. All ended up well. I would like to thank all the students for constantly trying to do the right thing. This will keep us all safe :)

On another note :) unfortunately both my knees have taken a hit :(old age sucks. I am going to get them both looked at and I am really hoping it is just a little TLC they need, but for the next few weeks I will have to call/teach sitting down. Hopefully this won't upset the classes too much and really appreciate your understanding but at the moment I don't have a choice. Looking forward to a more stable year in dancing :)

Bits and Pieces

Chris Brister...who is our resident sewer and makes all our beautiful quilts/cup holder/mask would like to thank all who have donated material/cottons etc to help out. Chris does an absolute wonderful job and works all year round for our Gippsland Lifeline fundraiser. If you do have any material packed away in the cupboard doing nothing....I can think of someone who would be extremely grateful.

TO ALL MY STUDENTS

ESPECIALLY THOSE WHO TRAVEL A DISTANCE

If you feel the weather is against you or feel it is too unsafe to travel.. Then please.... don't come to class

If the weather is really bad more than likely I will cancel the class. But please..those who have quite a distance to travel...stay home if the weather is bad. As much as we love our dancing your safety is more important...just send me a quick text so I know you are not stranded on the side of the road but please...don't risk your safety
