DECEMBER 2021 JANUARY 2022 NEWSLETTER

This is your December January Newsletter coming out to you a little earlier than normal...as I am hoping to get classes up and running early January...no time to waste as we all know how quickly things can change. Well, what a crazy couple of years we have had. Let's hope that 2022 will be a little kinder to us all with fewer lockdowns. We have a diary full of classes, socials and dancing for all levels so there is something there for everyone. I really do hope that even if we still have to take Covid precautions, that we have a more stable year and can dance:)

Hope you all have a wonderful Christmas with all your family and friends and here's hoping that our new year will bring us back to a little bit of normality in our lives. All stay safe and well.

Who could have imagined that when this photo was taken....that we were heading for two years of lockdowns...never in our wildest dreams. Two years of photos and good memories to catch up on:)

RAW BEGINNER CLASSES

Due to Covid 19 rules and regulations now governing hall hire I have taken all classes to the bigger halls. All Raw Beginner Classes are now held in the Newborough Public Hall. This hall has a beautiful dance floor, great air conditioning and heating and plenty of room for social distancing.

The first 3 levels of Line Dancing

Raw Beginners Level 1- Where the basic Line Dancing steps are taught
New Raw Beginner Classes at the commencement of the year

Gentle Improvers Level 2- The next level of steps & choreography are taught but you must have a good understanding of basic steps

Improvers Level 3 - The next level of choreography and timing is taught

Generally new Raw Beginner classes start at the start of the year. That is not to say you can't join in between. Just remember you are not getting in on the ground floor, but you still will be able to pick it up.

Line Dancing in the Latrobe Valley.

If you would like a sport that not only works your muscles / memory / balance and general fitness while moving to great music AND enjoying a safe and wonderful social life.....then give Line Dancing a go. We use all genres of music not just country music.

Give it ago...you might just find a new addiction with wonderful side effects.

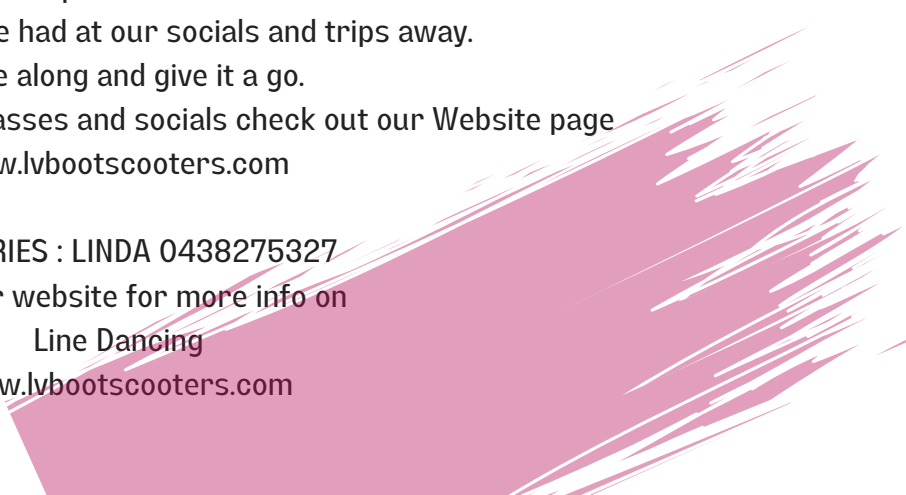

Check out our wonderful photos on our Website to see how much fun we have had at our socials and trips away.

Come along and give it a go.

Floor Etiquette

DANCE FLOOR ETIQUETTE **FLOOR ETIQUETTE IS REQUIRED FOR THE SAFETY OF DANCERS**

- 01** Don't eat or drink whilst dancing and or carry food/drink across the dance floor.
- 02** Don't use the dance floor as a thoroughfare whilst the dance is in progress. If uncertain, move along the row to the outside edge and leave the dance floor.
- 03** When joining in on a dance already in progress, please don't push in to your "usual spot". Dance in a vacant position on the edge of the dance floor. Alternately, if a dance is in progress and you need to leave the floor, walk along the row to vacate dance floor.
- 04** Please leave the dance floor if you want to chat, take photos, use phone etc.
- 05** If watching a dance, please be mindful of non-obstructing the dance floor and of any dancers that are seated behind you.
- 06** On no account put anything on the floor if it's sticky or slippery, as this can cause harm to a dancer and affect the floor, by deteriorating its surface.

Please be courteous to all dancers.
