

L.V. COUNTRY LINE DANCERS

MARCH APRIL 2021

WE ARE UP AND RUNNING—AND STILL RUNNING :)

Well we have made it through the first few months with not too many Interruptions. Classes are going well and our first TWO SOCIALS—Newborough and Heyfield :) even with our Covid Rules were such great days with a huge amount of dancing. Was so nice to see everyone back together.. albeit separate socials for the time being:)

COVIDSAFE SETTINGS – FROM 6PM FRIDAY 26 MARCH 2021

As of March 26th the Covid Rules have been relaxed a little so we are able to relax our rules but this comes with lots of BUTS:)

Please remember these rules may change depending on current rules.

*No need to wear your masks into the halls for Classes/Socials (you may still do it you wish) BUT...please remember to keep your distance when socialising.

*As of April 1st, if you are holidaying interstate, there is no need to refrain from classes/socials for 2 weeks **BUT** :) the onus is on the traveller to make sure that they are returning from a safe area and not a hotspot. If unsure or unwell or **rules have changed regarding interstate travel**then....yes....refrain from coming back to class.

IT IS UP TO THE STUDENT TO ENSURE THEY ARE SAFE TO RETURN AND IN LINE WITH THE CURRENT REGULATIONS

*The cap of 50 in Classes/Socials has now been lifted and the number of students depends on the size of the hall. My Newborough hall can take 90 but I have decided to keep my social plan as is.

Gentle Social in the morning / EI/Int in the afternoon.

NOT limited now to Students Only

You can book in for either social or a bit of both and BOOKINGS are still essential **BUT**.... I will limit my socials still at 50 at any given time. I think this still gives everyone plenty of room to dance safely.

CLASS/SOCIAL COVID 19 PLAN APRIL 1ST 2021

From the front door through the class

- ♦ Masks are not required in class but please keep your distance when socialising. (You may still wear them if you feel the need)
 - ♦ There will be sanitiser / wipes placed around our dance area.....please ensure these are utilised.
 - ♦ We can resume our tea breaks with coffee/tea, but please bring your own nibblies.
 - ♦ Please make sure you keep your distance when signing in
 - ♦ Remember to bring your mask/pen and correct money. We want to eliminate multiple handling of items
 - ♦ We have been issued our own QRCode from the Government for Contact Tracing. This code can be scanned with your iphone on entry. If you don't have an iphone you can download the app via go.vic.gov.au/check-in. If you don't have a phone that will scan the code then you are required to sign in on the appropriate form.
- The government only requires your first name and phone number and this data is deleted after 28 days.

- ♦ Please maintain the correct distance from each other while dancing and socialising.

INTERSTATE TRAVELS / HOLIDAYS

- ♦ As of April 1st, if you are holidaying interstate, there is no need to refrain from classes/socials for 2 weeks BUT :) the onus is on the traveller to make sure that they are returning from a safe area and NOT a hotspot. If unsure or unwell or rules have changed regarding interstate travelthen....yes....refrain from coming back to class.

IT IS UP TO THE STUDENT TO ENSURE THEY ARE SAFE TO RETURN

AND IN LINE WITH THE CURRENT REGULATIONS

SOCIALS

- ♦ At Socials, chairs and tables are all washed and spaced according to our distancing rules. Please ensure you sit ONLY on your own chair and not those of others and please refrain from adding extra chairs to the tables.

By keeping yourself safe, you are keeping those around you safe.
The responsibility lies with each and everyone of us to do the right thing.

EXCITING NEWS! 2021 VLDA BALL TO GO AHEAD

With the lifting of the 50 cap on dance floors, the VLDA will be able to go ahead with the 25th Gala Ball. This is exciting news indeed. The theme for the ball will be **SILVER, BLACK AND WHITE** and will be held at Springers Leisure Centre on Saturday 26th June. The committee will now have to meet to draw up a COVID Safe Plan and sort out the details of how the ball will be run to ensure the safety of all the dancers. More details will be announced soon.

DANCE FLOOR ETIQUETTE

FLOOR ETIQUETTE IS REQUIRED FOR THE SAFETY OF DANCERS

- 01** Don't eat or drink whilst dancing and or carry food/drink across the dance floor.
- 02** Don't use the dance floor as a thoroughfare whilst the dance is in progress. If uncertain, move along the row to the outside edge and leave the dance floor.
- 03** When joining in on a dance already in progress, please don't push in to your "usual spot". Dance in a vacant position on the edge of the dance floor. Alternately, if a dance is in progress and you need to leave the floor, walk along the row to vacate dance floor.
- 04** Please leave the dance floor if you want to chat, take photos, use phone etc.
- 05** If watching a dance, please be mindful of non-obstructing the dance floor and of any dancers that are seated behind you.
- 06** On no account put anything on the floor if it's sticky or slippery, as this can cause harm to a dancer and affect the floor, by deteriorating its surface.

Please be courteous to all dancers.

If the weather is really bad more than likely I will cancel it but I have students that come from all different areas. SHIRTS

YEAHH....Hopefully they will be ready to pick up this week so hopefully I will have them for you straight after Easter.

I have had to order nearly 60 shirts

So just a tip.....

leave the tag on when you get them in case you have ordered the wrong size. I obviously can't return them with our logo on but I may be able to On-Sell them for you to other students.
