

L.V. COUNTRY LINE DANCERS

DECEMBER CHRISTMAS EDITION 2019

Merry Christmas

'DAYS OF HOPE'

Hi Linda

Oh Linda, words of mouth are not enough to say thank you. On behalf of all the Days of Hope members, we would like to say a very big "THANK YOU" to you Linda and all the members of the Latrobe Valley Country Line dancers. You are very very special people to us. You are helping our charity in the greatest way.

We went through all the bags Yesterday, You will not believe it, It took the two of us the whole day. We had to repack all the donations putting like items together and making sure things like liquid soaps are well packed and secured not to spill. We were left speechless.

We ended up with boxes of soap, boxes of pencils and colouring pencils, face washers and towels. Big bags of special baby clothing. Multiple boxes of toys. exercise books, Novels, children's books of all sorts. Quilt making books and lots of fabrics Lots of craft work equipment, which are the ideal stuff that we really want for our groups of women. Boxes of wool and lots of knitting needles. There were five sewing machines and an overlocking machine. Shoes of all sorts. All these donations are brand new and most of them are just as new. The list is endless.

We are very excited that our charity will continue to do the good work because you guys are helping us in this good cause project. Please may you convey our special thanks and appreciation to all members of the dancing group. And also thank you everyone for buying the sculptures. So we raised \$625 from sculptures. Together with a private donations from our special donor.

Thank you.

May God the Almighty bless every one of you good people.

Kind regards

Agnes and Oferya

enjoying each others company all at the same time :)

DAYS OF HOPE

What an absolutely wonderful day again, at our Days of Hope special social in aid of our Zimbabwean families. This social has become very dear to our heart and it was very sad indeed to hear Oferya tell us that the conditions of her homeland are not improving. If anything, they are becoming direr. I personally would like to thank everyone for the most wonderful donations towards this day. Every year your support for this cause never ceases to amaze me. You are a wonderful group and I am very proud that you all have got behind this very worthy cause.

If you would like more information on "Days of Hope" and the wonderful projects they have in store, then visit their website
<http://www.daysofhope.org.au/>
This is where your wonderful donation is ending up.
Thank you again. xxx

DANCE FLOOR ETIQUETTE

FLOOR ETIQUETTE IS REQUIRED FOR THE SAFETY OF DANCERS

- 01** Don't eat or drink whilst dancing and or carry food/drink across the dance floor.
- 02** Don't use the dance floor as a thoroughfare whilst the dance is in progress. If uncertain, move along the row to the outside edge and leave the dance floor.
- 03** When joining in on a dance already in progress, please don't push in to your "usual spot". Dance in a vacant position on the edge of the dance floor. Alternately, if a dance is in progress and you need to leave the floor, walk along the row to vacate dance floor.
- 04** Please leave the dance floor if you want to chat, take photos, use phone etc.
- 05** If watching a dance, please be mindful of non-obstructing the dance floor and of any dancers that are seated behind you.
- 06** On no account put anything on the floor if it's sticky or slippery, as this can cause harm to a dancer and affect the floor, by deteriorating its surface.

Please be courteous to all dancers.

Crisis Support. Suicide Prevention.

Thursday, 14 November 2019

Latrobe Valley Line Dancers
C/O Linda Pink

Dear Linda,

On behalf of Lifeline Gippsland thank you very much for your donation of \$9,646.00. We appreciate your ongoing support and effort to run such a successful fundraising event to raise these funds.

There is a call for help to Lifeline every 32 seconds. That's around 2,200 calls a day; over one million contacts per year. Suicide is our national emergency and it kills more Australians than cancer or the road toll. Every three hours someone takes their own life, which equates to 8 people each day that won't see tomorrow. However, at Lifeline Gippsland we believe that suicide is preventable and your support allows us to provide vital services such as the 13 11 14 Telephone Crisis Line, the Connect Call Back Service and other local programs aimed at reducing the incidents of suicide.

Without your kind donation, we would be unable to continue to support those in need in our community.

Thank you again for your generous donation.

Kind regards

Michelle Possingham
